

The Street Heat™ provides either a bold or subtle flame graphic look engineered to fit virtually any vehicle. The Street Heat™ 4009-01 has a classic bright red flame appearance with shimmering silver and pearlescent gold highlights. The Street Heat™ 4009-02, utilizes a frosty transparent tone to gently blend the vehicle paint color with the overall look of the design, and is also complemented with silver and pearlescent gold accents. The Street Heat™ also incorporates unique graphic pinstripe panels to complete the overall package.

Sharpline puts a contemporary twist on an unforgettable automotive icon of the 1950s. The new Flashback™ graphic is an easy-to-install upper-body design that adds a touch of classic styling to today's autos, pickups, & SUVs.

Each Flashback™ kit includes a set of "retro-fins", three "side molding" style graphic panels per side, as well as a set of both "Classic" and Chevrolet "Bowtie" Crystal Cap™ logos.

FLASHBACK™

4008-01 FLASHBACK

- 1 Set Retro Fins -3.2" x 47"
- 1 Set Leading Graphic Molding Panels - .375" x 52"
- 2 Sets Mid Body Graphic Molding Panels - .375" x 59"
- 1 Set "Classic" Crystal Cap™ Logos
- 1 Set Chevrolet "Bowtie" Crystal Cap™ Logos

Chevrolet Bowtie is an officially licensed product of General Motors.

Sharplines Razor™ graphic combines unique design with innovative processing, creating a versatile kit that can be installed on any car, pickup or SUV. Printed on clear vinyl, the Razor™ allows the vehicle's paint color to show through select "reverse shadow" areas, elegantly integrating the graphic with the vehicle.

Sharpline's AfterShock™ kit is created by printing three different vivid colors onto clear, high-performance vinyl. Featuring a distinct lightning effect, AfterShock™ allows the vehicle color to show through once applied, creating a truly dynamic installation. Available in three different color combinations, each AfterShock™ is comprised of separate individual components that can each be placed wherever the installer feels they accentuate the vehicle body lines best.

AFTERSHOCK™

Sharpline's RoughNeck™ kit gives installers a crisp, rough edged appearance in a large graphic. Available in three color combinations, each created by printing three colors onto clear, high-performance vinyl, the RoughNeck™ kit can be installed in a variety of ways depending on the placement of the graphic components. Due to the nature of the clear base film, the RoughNeck™ package allows the vehicle paint color to show through after installation.

ROUGHNECK™

Sharplines Firestorm™ defines the installation versatility available in a component kit. Consisting of 8 separate components per side, the Firestorm™ is easily customized to fit a variety of vehicle styles. Available in three color combinations, each created by printing three colors onto clear vinyl*, the Firestorm™ allows your vehicle paint color to show through, tailoring the shaded effects to each installation.
